WHO WE ARE

Your brand, in the hands of the people who matter.

Vantis supplies branded merchandise for organisations that want to be seen, used and remembered. Apparel, drinkware, tech, gifts and event displays, branded with your logo and delivered by one team.

Tell us what you are planning, a launch, a conference, a new team or a client gift, and we will propose the right products for it.

How your logo goes on.

Six methods. We choose the one that suits the material, the look and the quantity, and show you a mockup first.

Embroidery

Your logo stitched in thread for a raised, premium finish that lasts.

Best for · Shirts, polos, caps, jackets

Screen printing

Solid colour pressed through a fine mesh. Sharp, durable and cost-effective at volume.

Best for · T-shirts, totes, banners

Pad printing

A soft silicone pad transfers ink onto curved and uneven surfaces.

Best for · Pens, stress balls, small plastics

Laser engraving

A laser etches the mark permanently into metal, wood, bamboo or cork.

Best for · Bottles, pens, keyrings, bamboo

Digital & UV printing

Full-colour printing with fine detail and gradients, on flat and curved items.

Best for · Mugs, tech, signage

Deboss & foil

The mark pressed into the cover, left plain or filled with metallic foil.

Best for · Notebooks, diaries, leather goods

Four steps from idea to delivery.
